SUGGESTIONS REGARDING MEDIA

Comes now the State of Missouri by and through Cole County Prosecuting Attorney, Mark A. Richardson, and makes the following as Suggestions regarding media:

1. The state objects to media recording and or transmitting any images of any exhibit or document used in the trial of the case.
2. The state suggests no video of the trial should be permitted. If the court permits video, it is the state's suggestion that only one camera be allowed and that the camera must be and remain fixed only upon the witness stand during presentation of evidence and only upon the podium for attorneys during argument.

WHEREFORE, the State requests the Court enter such orders as are just regarding media presence.

Respectfully submitted,

Mark A. Richardson #32236

Prosecuting Attorney
